Article III
Work Covered

11. This Agreement shall cover all asbestos, lead and mold abatement, including site preparation, mobilization, preparatory clean up work, lay down, bagging, and the removal or abatement of asbestos containing materials by hand or with equipment or machinery, scaffolding, fabrication of temporary wooden barriers, assembly of decontamination stations or any other task which is directed in connection with this work.
12. All such work of the Individual Employer which has normally and traditionally been performed at the job site by the employees covered by this Agreement shall continue to be performed at the job site by the employees covered by this Agreement.
13. In the event the Individual Employer engages in the application of insulation, including fire penetrations or grease ducts, within the jurisdiction of the Union, it shall do such work within the terms and conditions of the Agreement between Northern California Chapter, Western Insulation Contractors Association and Local 16 International Association of Heat and Frost Insulators and Asbestos Workers (Master Agreement).

14. The written instructions of the Individual Employer shall take precedence over specifications from architects and engineers, or any other source or authority, as to the work to be performed, materials to be used or applications of work. In the absence of written instructions from the Individual Employers, however, job specifications shall be followed. In no event shall any employee be required to violate any law or regulation of any administrative body, Federal, State, or Local.
15. In the event of a strike under the HFI Master Agreement, work covered by this Agreement shall continue uninterrupted, all Journeyman Mechanics and Apprentices covered under the HFI Master Agreement will continue to work under this Agreement. Journeyman Mechanics and Apprentices who work during a strike concerning the HFI Master Agreement shall be paid retroactively the applicable increased wage rate for work performed during the strike.
